PERIO PRATHAM 2026

A RAPID REVIEW SERIES FOR MDS 1ST YEAR

Department of Periodontics, MRADC&H, in collaboration with BAP, proudly presents **PERIOPRATHAM 2026** – A Rapid Revision Program for First-Year MDS Students.

This comprehensive program features a series of focused lectures covering key topics in Basic Medical Sciences and the Fundamentals of Periodontics. Designed with an examination-oriented approach, the sessions will be delivered by highly experienced faculty members to help students strengthen their conceptual understanding, enhance revision, and achieve optimal preparedness for their examination.

Join us for an enriching academic experience and take a confident step towards examination success.
